Broad Street United Methodist Church

100th Anniversary Celebration – August 27th & 28th, 2011

Dewayne & Ginnie Lowther have used photography as a tool for ministry since 1949. Both are now retired clergy members of the West Virginia Annual Conference of The United Methodist Church and utilizing digital technology to continue their life time enthusiasm for Visual Journaling and exhibiting images that document and affirm performing and visual arts, liturgical arts, individuals, families, community organizations and ministres of the Church.

Both are members of the West Virginia Annual Conference Commission on Archives and History where Ginnie serves as chairperson and they accept invitations to Photojournal Anniversary Observances by local congregations. Copies of this book are being donated by the Lowthers to the Broad Street Congregation & to the Annual Conference Archives at West Virginia Wesleyan College.

Photographs in this Visual Journal were taken with four different single lens reflex cameras and are presented in four different sections rather than as a chronologial record of this important day in the history of Broad Street United Methodist Church.

Thank you to Betty Ann Nicholson for borrowing our fourth camera to take our photograph.
